Catalina Avadani

FRONTEND DEVELOPER

catalina.avadani@gmail.com
076 096 8621

I blend creativity and technical precision to build user-friendly web applications. My journey from customer-facing roles to crafting responsive interfaces in React and Next.js highlights adaptability, problem-solving, and attention to detail. I thrive in collaborative environments, delivering impactful solutions that connect with users.

EXPERIENCE

FRONTEND DEVELOPER- Intern | Sept 2024-
NEXER GROUP, GOTHENBURG

During my internship at Nexer Group, I worked on real-world projects using React Native and Angular, creating responsive layouts, implementing sorting and filtering features, and resolving bugs. I enhanced my problem-solving, collaboration, and technical skills while gaining valuable experience in front-end development.

SENIOR CASINO ASSOCIATE | 2018 – 2024
CASINO COSMOPOL, GOTHENBURG

Ensured a positive customer experience by managing gaming activities, resolving disputes, handling financial transactions, and ensuring regulatory compliance. Maintained accurate records, reported potential fraud, and demonstrated attention to detail, strong communication, and exceptional service.

ANDROID DEVELOPER – Intern | Okt– Dec 2022
STENDAHLS, GOTHENBURG

Completed a two-month Android development internship, working with Android Studio, Kotlin, Jetpack Compose, Room Database, and Git. Enhanced communication, teamwork, and time management skills

CASINO SUPERVISOR | 2002– 2017
CARNIVAL CORPORATION, USA

Managed casino games in compliance with company policies, oversaw players and dealers, resolved conflicts, reviewed cash-to-chip exchanges, and handled staff scheduling.
